Maimonides Medical Center
4802 10th Avenue
Brooklyn, NY 11219

To Whom It May Concern:

I would like to express my deepest appreciation to Maimonides Medical Center, both its staff and leadership, for its partnership, compassion and care.

In the difficult times of COVID, Maimonides was at the forefront to deliver healthcare to the community. When vaccines became available, they set up an event to deliver this incredible medicine to the community at Beit El-Maqdis Islamic Center and our neighbors. They brought the vaccine to us, in our own community, at a time when many felt scared and isolated.

Once we were able to gather again, Maimonides leadership partnered with our Center to host a community Iftar during Ramadan. They showed their commitment to honoring the traditions of their patients' diverse faith communities and helped us practice an important religious observance of Ramadan.

Maimonides Medical Center has been a great partner to us, and stand to be pillars of service in not just healthcare but also friendship and community.

Sincerely,

Faleh Hamdan

Chairman of the Board,

Beit El-Maqdis Islamic Center
