Brooklyn, NY 11219

Hello Maimonides Family:

On behalf of Brooklyn Pride, I would like to thank you for another year of a very appreciated relationship. Your sponsorship has helped serve a very diverse community throughout Brooklyn by helping to enable us to produce another well received Brooklyn Pride Week of events including the 5K Run, Street Festival and Pride Parade.

Additionally, the relationship grew to new levels this year, including us in your “Nurse For A Day” and Pride Day programs. These events also clearly show your respect and commitment to the community as well as to your employees.

Brooklyn Pride looks forward to continuing the relationships and are so grateful to include you into the Brooklyn Pride Family as well as welcoming us into the Maimonides Health Family.

Respectfully

Mickey Heller
