Mr. Kenneth Gibbs
Maimonides Medical Center
4802 10th Avenue
Brooklyn, NY 11219

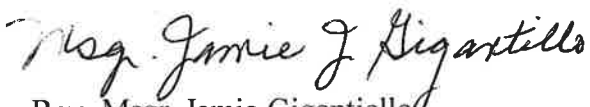

Dear Mr. Gibbs:

On behalf of myself and the Diocese of Brooklyn, we would like to thank you and Maimonides Hospital for your continued support.

Maimonides Medical Center supports the medical needs of the community, while offering spiritual guidance and chaplaincy services for patients and their families during the most difficult of times. They are an astounding organization that caters to not just the Catholic community, but all faith communities in Brooklyn. Diocesan churches partner with them each year to deliver important health education and during the darkest days of Covid, Maimonides staff members delivered the Covid vaccine to our parishes.

I am proud to be affiliated with, and a friend of, Maimonides, its staff and leaders.

Sincerely in Christ,

Rev. Msgr. Jamie Gigantiello
Pastor
