Maimonides Medical Center

This letter is long overdue. There are really no words that can adequately express our feelings to your wonderful facility. We are attempting to communicate our feelings of gratitude and appreciation that we have in our hearts and minds on behalf of the entire Jewish Community, **on behalf of Grand Rabbi Twersky's Family, on behalf of the Rachmistrivke Kehila, on behalf of the Jewish nation worldwide we would like to take this opportunity to express thanks and gratitude for the good care and special attention that was granted to our Dear Grand Rabbi, Rabbi Chai Y. Twersky Shelita.**

At this point we want acknowledge **Maimonides Medical Center Doctors, Specialists, Nurses and all practitioners** that cared for our beloved Rabbi with kindheartedness and special attention.

Specific recognition is given to **Dr. Yitzhok Kupfer, Director, Medical Intensive Care Unit & the MICU Staff.** We are fortunate in having Dr. Kupfer as the Rabbi's physician and is granting Rabbi Twersky the best care humanly possible. We would also like to acknowledge **Ms. Mintz Interim Chief Nursing Officer** for her kindness and compassion, and of course expertise in dealing with the Rabbi and his family. A shoutout is due to all of the **Nursing Staff.** Last but not least, kudos to our wonderful **Executive Vice President** of Maimonides, **Douglas Jablon** whose name is synonymous with Maimonides Medical Center. His is a labor of love. He's always there to lend a helping hand and listening ear. May he continue to be there for our community for many happy healthy years.

After on our team. We thank **Keven Cottingham** Asst Vice President of Operations for always facilitating and helping make our stay at the hospital easier and more pleasant.

An honorable mention is due to the following individuals who are always ready and eager to help: **Mr. Chasky Rosenberg, Mr. David Shapiro, Mr. Chaim Fleischer, Mr. Yidel Feig, Rabbi Benzion Leser and Rabbi Sholom Pesach Greenberg.** Their support and assistance is available 24/7. We are grateful to have them on our team.

It is not every day that a hospital has the chance to care for a distinguished and exceptional individual like our Rabbi. The fact that your institution appreciated their good fortune and extended the Rabbi the exclusive care and compassion that he received, speaks miles for Maimonides as a great hospital, and for the staff as gentle and caring individuals. We are proud to have this hospital in our neighborhood.

May G-d continue to guide you and help you heal patients and their families like you have helped us.

With much gratitude and admiration,

Rabbi Moshe Kramer
