To Whom It May Concern:

United Senior Citizens Center of Sunset Park is a nonprofit organization in the Sunset Park community and it is supported through funding by the NYC Department for the Aging. Our mission is to serve the needs of the senior population with love, dedication and commitment.

I will like to share my deepest appreciation for the Maimonides Medical Center leadership and staff for their Clinical Excellence. Recently, Maimonides Leadership invited me to participate in an event during Nurse Appreciation Month where I was able to witness a behind the scenes view of life as nurse at this organization. During this time, I saw firsthand how dedicated these professionals were to their jobs, patients and each other as colleagues.

Maimonides has always shown their support to our community and many members of our Senior Center of Sunset Park: I look forward to working more closely with Maimonides in the future. Thank you in advance for your attention to this matter.

If you need additional information please don't hesitate to call.

Respectfully,

Grisel Amador, Executive Director
