Attention: Ms. Lucretia Batson,

Dear Lucretia,

I hope that this letter finds
you and your family in good health.
This letter is a letter of
commendation to the care given
to my brother, Samuel M. Nurnbaum,
who was a patient in your
hospital on the weekend of Oct 8-12,
(I think the dates are correct?), in Belmont
711.

(2)

I was with my brother, for several hours on Fri, Oct. 8, 2021 and for many hours on Sun, Oct. 10, 2021.

The care that he received was excellent. The nurses were gentle with him. His room was very clean.

Lucy, the nurses I met are:

Eunice Papardo
Sabrina Collette

Teresa George
Julia Raffaele

Kora
S. Bennett
Patrice Wallace

and Fabian J. Grebie

Some of these nurses took care of my brother. Some of them, (I call them angels)

(3)

took PHENOMEL care of me
when I was there, or in the room
next door, with COVID in April/May 2021.

What a beautiful déjà-vu!!

These angels have unbelievable
wings of energy / kindness / and
sensitivity!

Finally, some of the nurses/angels
took care of both me and my brother!

What a Heavenly Co-incidence
arranged by G-d Himself.

Please notify these wonderful
members of your staff, of this letter
and extend my thanks to Patient
Rep. Anthony Fusco, for providing
me with your name and address.
Respectfully, Reital Nussbaum
